Roman Newspaper So Declares Referring to Sunday's Occurrence.

The more business we get the more we want; and, in spite of the fact that we move into our big new store shortly after the first of the year, we've just received a solid carload of China Cases, Combination Cases, Book Cases and Desks, which were late coming in, due to the extraordinary rush at the factory. We just could not countermand this order, because of the unusual values and styles in the goods.

Book Cases, from \$9.00 to \$80.00 each (with glass doors),

China Cases, from \$14.40 to \$135.00 each.

Combination Book Cases and Desks, from \$14.95 to \$50.00 each.

Any goods you may select during this sale will be put away and delivered Xmas without extra charge.
